ROTOVATOR HIRE

Are you still preparing your plot for planting like this?

It doesn't have to be as hard as this.

For just £10.00 you can hire the association's rotoator or cultivator for up to two hours (including fuel). Contact the Site Manager to arrange your booking.

Basic instruction in operation of machinery is given when you hire machinery. Neither the Association nor the Parish Council have insurance to cover you for personal injury.

PLEASE NOTE

THE HIRE PERIOD STARTS WHEN YOU TAKE THE ROTOVATOR / CULTIVATOR FROM THE MACHINE HUT AND ENDS WHEN YOU RETURN IT
