SHED INFORMATION

If you are thinking about having a shed on your plot could you please ensure that it complies with the approved standard of construction for sheds on this site and that you have the agreement of the Site Manager on its location before making your purchase. Any solid construction of more than 1 metre high requires approval.

Rules:

- 1) Position is important!
- 2) Sheds are to be 6 x 4ft and no higher than 8ft.
- 3) Sheds must be brown in colour.
- 4) Sheds must have a pitched roof and the door is to face onto the plot.
- 5) There is a shed application form available – Please contact the Site Manager for this.
- 6) Non approved sheds may be removed at the Site Managers discretion.
